1968 Reflector Staff

Homer Schuman was born in Whitley County in 1892 and died in 1965. Homer devoted his entire life to the promotion of Agriculture and Education. A graduate of Columbia City High School and Purdue University, he pursued farming as a vocation on a Richland Township farm. He was married to Miss Dorothy Kanable, an Ohio school teacher, in 1930; and four children were born to them. All the children were educated in Larwill High School, and they later graduated from either Purdue or Indiana Universities. The family attended Grace Lutheran Church in Columbia City.

His contributions to Agriculture includes thirteen years as a director of the Whitley County R.E.M.C. including six years as President of the Board. He was appointed to the Indiana State Fair Board in 1945 by Governor Ralph F. Gates. He served as a director for 17 years, and was President of the Board in 1949. Elected township trustee in 1930, he served in this capacity for two terms; and extensive improvements to the grounds and buildings were noted. He served as Whitley County Republican Chairman from 1937-1950. He served on the Whitley County Hospital board from 1959 until his death.

Mr. Schuman shared the views of other area educators and joined in the organization of the Whitko Metropolitan School District. He served as the first President of the Whitko School Board. The Whitko Community School Board and the community in general miss his leadership. Mr. Schuman thoroughly enjoyed these community jobs, and felt that the many friends he made more than paid for his time and efforts. He felt that every child should have the opportunity to receive an education, and be trained sufficiently; so as to be able to hold a job, and become an independent and self-reliant wage earner. This was to be his life's fulfillment; the completion of the new Whitko School.

The central character is Edie, who lives across the street from the Wests. She may be a shy one when it comes to boys but golly does she blow up a storm in town! Dan West comes home from college. Edie has been hearing a lot about Dan through Jane. Edie has eagerly anticipated his arrival. When Dan arrives he hasn't a minute for Edie, centering his attention on the glamorous Roxanne. And, a phony she is! Edie, embarrassed, runs out of the house headed for home, but runs into the path of an oncoming car. Dan feels it's his fault! The young people become serious minded and plan a benefit to raise funds to defray Edie's huge medical bills.
